

Accelerate Diagnostics Appoints Roland Diggelmann to its Board of Directors

TUCSON, Ariz., Nov. 4, 2019 /PRNewswire/ -- Accelerate Diagnostics, Inc. (Nasdaq: AXDX) today announced that Roland Diggelmann has been appointed to its Board of Directors.

"On behalf of the entire board, I am delighted to welcome Roland to Accelerate Diagnostics," commented John Patience, Chairman of the Board of Directors. "Roland brings extensive experience from his decades of successful diagnostics company leadership. We are especially excited about the counsel he can provide to the management team, some of whom have worked with him in the past at Roche."

Mr. Diggelmann was recently appointed Chief Executive Officer of Smith+Nephew (NYSE:SNN) and has spent his entire career in the medical technology and diagnostics industries. Prior to this appointment, he served as CEO of Roche Diagnostics, a global business with revenues of USD \$11.5 billion and 34,000 employees at the time of his departure in 2018. Prior to his 11-year career at Roche Diagnostics, Roland spent 12 years in the orthopedics sector at Sulzer Orthopedics and Zimmer Group. Mr. Diggelmann studied Business Administration at the University of Berne.

About Accelerate Diagnostics, Inc.

Accelerate Diagnostics, Inc. is an *in vitro* diagnostics company dedicated to providing solutions for the global challenges of antibiotic resistance and sepsis. The Accelerate Pheno™ system and Accelerate PhenoTest™ BC kit combine several technologies aimed at reducing the time clinicians must wait to determine the most optimal antibiotic therapy for deadly infections. The FDA cleared system and kit fully automate the sample preparation steps to report phenotypic antibiotic susceptibility results in approximately 7 hours direct from positive blood cultures. Recent external studies indicate the solution offers results 1-2 days faster than existing methods, enabling clinicians to optimize antibiotic selection and dosage specific to the individual patient days earlier.
