About Accelerate Diagnostics, Inc.

Accelerate Diagnostics, Inc. (NASDAQ: AXDX) is an in vitro diagnostics company dedicated to providing solutions for the global challenges of antibiotic resistance and sepsis. The Accelerate Pheno® system and Accelerate PhenoTest® BC kit combine several technologies aimed at reducing the time clinicians must wait to determine the most optimal antibiotic therapy for serious infections. The FDA-cleared system and kit fully automate sample preparation steps, enabling phenotypic antibiotic susceptibility results in about 7 hours directly from positive blood cultures. Recent external studies indicate the solution offers results 1 to 2 days faster than existing methods, enabling clinicians to optimize antibiotic selection and dosage specific to the individual patient's infection, days earlier.

The "ACCELERATE DIAGNOSTICS" and "ACCELERATE PHENO" and "ACCELERATE PHENOTEST" and diamond shaped logos and marks are registered trademarks of Accelerate Diagnostics, Inc.
