About Accelerate Diagnostics, Inc.

Accelerate Diagnostics, Inc. is an *in vitro* diagnostics company dedicated to providing solutions for the global challenges of antimicrobial resistance and sepsis. The Accelerate Pheno® system is designed to reduce the time clinicians must wait to determine the most optimal antibiotic therapy for bacteremic patients. This diagnostic system is designed to serve clinical laboratories with automated solutions to expedite time to identification and antimicrobial susceptibility test (AST) results directly from positive blood culture samples. Multiple external studies have proven the Accelerate Pheno system delivers results 1 to 2 days faster than existing methods, enabling clinicians to optimize antibiotic selection and dosage specific to the individual patient's infection, days earlier.
