

## **Accelerate Diagnostics to Present at the 33rd Annual J.P. Morgan Healthcare Conference**

TUCSON, Ariz., Jan. 7, 2015 (GLOBE NEWSWIRE) -- Accelerate Diagnostics, Inc. (Nasdaq:AXDX), an in vitro diagnostics company dedicated to providing solutions for the global challenge of drug resistant organisms and hospital acquired infections, announced today that Lawrence Mehren, Chief Executive Officer, is scheduled to present a corporate update at the 33rd Annual J.P. Morgan Healthcare Conference in San Francisco, CA on Tuesday, January 13th at 3:30PM PT.

The presentation will be made available on the Company's investor portal section of its website at <http://ir.axdx.com/> on January 13, 2015.

### **About Accelerate Diagnostics, Inc.**

Accelerate Diagnostics, Inc. (Nasdaq:AXDX) is an in-vitro diagnostics company focused on developing and commercializing innovative systems for the rapid identification and antibiotic susceptibility testing of infectious pathogens. The Company's revolutionary BACcel™ platform utilizes a proprietary culture-free process with both genomic and phenotypic detection technologies that significantly decreases time to result while achieving high sensitivity and specificity. In addition to the BACcel system development pipeline, the Company also owns and licenses its proprietary OptiChem™ surface coatings technology, which has numerous applications for binding in bio-analytical systems, such as microarrays. ### **Forward-Looking Statements**

This press release contains words such as "expects," "shall," "will," "believes" and other similar expressions that are intended to identify forward-looking statements within the meaning of the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995. Such statements in this announcement are made based on the Company's current beliefs, known events and circumstances at the time of publication and, as such, are subject in the future to unforeseen risks and uncertainties that could cause the Company's results of operations, performance and achievements to differ materially from current expectations expressed in, or implied by, these forward-looking statements. For a full discussion of the Company's risks and uncertainties, which could cause actual results to differ from those contained in the forward-looking statements, see "Risk Factors" in Item 1A in the Company's Transition Report on Form 10-KT, filed with the SEC on March 20, 2013. In addition, the Company's forward-looking statements could be affected by general industry and market conditions and growth rates. Except as required by federal securities laws, the Company undertakes no obligation to update or revise these forward-looking statements to reflect new events, uncertainties or other contingencies.
